This contract of sale is between the entity named on the invoice (the “Customer”) and Taylor Marine South Africa Inc.

The Customer acknowledges agreement with these Terms and Conditions of Sale by the placement of an order to purchase product or services from Taylor Marine South Africa Inc., hereafter referred to as TMSA.

All goods are supplied on these terms and conditions only and no person in the employment or otherwise as an agent for TMSA has the authority to supply goods or services on any other terms and conditions or to vary these terms and conditions in any way whatsoever. Previous dealings shall not vary or negate these terms and conditions in any respect.

2) Return or Exchange Goods:

Special order items excluded, TMSA will gladly refund, or credit goods returned within a reasonable time (generally 7 days) provided goods are in original condition, original packaging, current version and not special order, hardware peripheral or clearance items. If the return is authorised by TMSA, a restocking fee of up to 10% may apply.

Due to copyright and licensing restrictions of certain software packages and digital charts where a security key or code has been supplied to unlock the application, TMSA cannot accept exchange or return.

Return or exchange of computer hardware and peripherals is sometimes not possible due to third party constraints on TMSA (unless faulty).

Note: Authorised Dealers and stockists need to obtain a Goods Return Authorisation (GRA) number before returning any goods.

3) Warranty Information:

Unless otherwise stated, all products sold by TMSA are covered by the manufacturers’ limited warranty that accompanies the product. TMSA makes no additional or independent warranty. TMSA does not warrant the performance, compatibility, integrity, merchantability and fitness for a particular purpose of any product, but merely passes through to the Customer whatever end-user warranty the manufacturers or software publishers provide with their respective products.

Please Note: Due to restrictions placed on us by manufacturers, hardware that is defective on arrival can generally be exchanged if we are notified within 7 days of invoice. Otherwise, the manufacturer’s warranty process must be followed.
